1. Aims and scope

We aim to:

- Make sure the school's premises and facilities can be used, where appropriate, to support community or commercial organisations
- Allow the hiring of the premises without using the school's delegated budget to subsidise this
- Charge for the use of the premises to cover the costs of hire and, where appropriate, raise additional funds for the school
- Not let any hiring out of the premises interfere with the school's primary purpose of providing education to its pupils
- Hire out facilities in a way that is safe, following government guidelines and the school's risk assessment(s)
- Better integrate the school into the local community
- Familiarise individuals with the school, who may become pupils or their parents
- Satisfy some of the needs of local individuals, groups or organisations
- Increase the use of facilities that are under used by the school

2. Areas available for hire

2.1 Available areas

The school will permit the hire of the following areas:

- Sports hall
- Music room
- Classrooms
- Playing fields

2.2 Capacity and charging rates

All capacity numbers below will be subject to the latest government guidance and local guidance on COVID-19.

The maximum capacity and rates for hiring each area are as follows:

| AREA | CAPACITY | COST |

3. Charging rates and principles

3.1 Rates

The rates for hiring out different areas are listed in the table in the section above. We may decide that certain organisations or activities can use the premises for a reduced rate, or free of charge, if it supports the core aims of the school.

We may decide to impose an additional cleaning fee on top of the hiring rates based on costs incurred.

3.2 Cancellations

We reserve the right to cancel any agreed hiring with a minimum of 21 days' notice.

A full refund will be issued if we do cancel a hire. The school shall not be liable for any indirect or consequential losses, including (without limitation) any loss of profits, loss of business or the loss of any revenue arising out of the cancellation of any hire.

The hirer of the premises can cancel any hire with a minimum of 21 days' notice. If less notice than this is given, the licensee shall not be entitled to a refund.

3.3 Review

The revenue raised from hiring out will be reviewed by the business support manager and will be fed into the school's financial reporting, to ensure best value is being achieved.

4. Application process

Those wishing to hire the premises should fill out the hire request form, which you can find in appendix 1 of this policy, and read the terms and conditions of hire set out in section 5.

The hirer should fill out and sign the hire request form and submit it to the school office. Approval of the request will be determined by the school business support manager.

If the request is approved, we will contact the hirer with details of how to submit payment and make arrangements for the date and time in question. We will also send on details of the emergency evacuation procedures and other relevant health and safety documents. The hirer will also need to provide proof of its public liability insurance.

We reserve the right to decline any applications at our absolute discretion, in particular where the organisation does not uphold the values of the school, reputational damage may occur, or the activity does not adhere to the latest government safety advice.

5. The hirer shall not use the premises for any purpose other than that agreed upon in the licence, as set out in the hire request form.

12. Save that nothing in the licence shall exclude or limit either party's liability for personal injury or death arising from the negligence of either party or any other liability that cannot be excluded by law, the school shall not be responsible for any losses of a direct or indirect nature, and its maximum liability to the hirer shall not exceed the total fees paid or to be paid to the school by the hirer under the licence.
13. Any cancellations by the school made with at least 21 days notice will be refunded.
14. Any cancellations by the hirer received with less than 21 days notice will not be refunded.

25. This licence shall be governed, construed and interpreted in accordance with the laws of England and Wales.
26. The school and the hirer irrevocably agree that the courts of England and Wales shall have exclusive jurisdiction to settle any dispute or claim arising from this licence.

6. Safeguarding

The school is dedicated to ensuring the safeguarding of its pupils at all times. It is a requirement of hire that hirers abide by the schools' requirements in respect of safeguarding. Any failure from the hirer in this respect will result in the hire being terminated.

It is the responsibility of the hirers to ensure that safeguarding measures are in place while hiring out the space.

If there is a chance that those hiring the premises will come into contact with pupils, for example if the hire occurs during school hours, or when pupils may be present in the school (during after school clubs or extra-curricular activities), we will ask for confirmation that the hirers have had the appropriate level of DBS check.

The hirer will be required to have appropriate safeguarding policies in place, including safeguarding and child protection, and shall provide copies of these policies on request to the school.

The hirer confirms that, should any safeguarding concerns present themselves during the hire of the school premises, they shall contact the Headteacher as soon as reasonably practicable.

7. Monitoring arrangements

We will review and update this policy when the guidance on which it is based changes or when this version of the policy otherwise stops being applicable.

Any updates to this policy will be shared with the full governing board.

8. Smoking and Vaping

It is the policy of Stocks Green Primary School that all our buildings and site are smoke free and all that employees/Pupils and visitors have the right to be in a smoke / vapour free environment.

We acknowledge that some people may wish to make use of electronic cigarettes, particularly as an aid to giving up smoking. Although they fall outside the scope of smoke-free legislation, we prohibit the use of e-cigarettes on the school site for the following reasons:

- Although they do not produce smoke, e-cigarettes produce a vapour that could provide an annoyance or health risk to other employees/pupils.
- Some e-cigarette models can, particularly from a distance, look like real cigarettes, creating an impression to pupils, staff and visitors that it is acceptable to smoke on Stocks Green premises.
- We do not promote 'vaping' as a safe alternative to smoking to our pupils.

Therefore:

Stocks Green Primary School is committed to being a healthy school. Smoking cigarettes, cigars or pipes (containing tobacco or herbal substances) or vaping through e-cigarettes, is not permitted in any part of the premises or site at any time, by any person regardless of their status or business with the school.

In the event that someone does smoke in a smoke-free environment, the following procedure will be followed:

- the person's attention will be drawn to the no-smoking/vaping signs and they will be requested to stop smoking or leave the premises.
